Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

This book is radically different. You dont need years and years of meditation to experience the promise of spiritual enlightenment. What You Are Seeking Is What Is Seeking. *The Sun Seeking Light: Ending The Search For Spiritual Enlightenment* is composed of 72 short passages that will bring your true, nondual nature into clear view. Each passage points you to look at your immediate experience to recognize the peace, freedom and enlightenment that is not dependent on theory...
