The Pocket Wife (Main)

By Susan Crawford

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, The Pocket Wife (Main), Susan Crawford, Dana Catrell wakes from a drunken stupor in time to see an ambulance pull into her neighbour's house a few doors down. Celia Steinhauser has been murdered. But Dana was at her house only a few hours ago. Celia wanted to show her a photo - a photo of Dana's husband with another woman - and Dana has blank spots about what happened to the rest of the afternoon. This is a thriller that makes the reader question everything. Dana, we learn, has a history of mental illness and as she descends into another manic episode, the line between what actually happened and what she has imagined becomes blurred. A gripping domestic psychological thriller for fans of ASA Harrison's *The Silent Wife* and Sabine Durrant's *Under Your Skin*, *The Pocket Wife* will stay with you - as all good thrillers do - long after you've finished it.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).
