Llewellyn Publications,U.S., United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book. When former foreign correspondent Lola Wicks heads to Wyoming for a Yellowstone vacation, she comes across a story that hits close to her past. One Wyoming soldier returning from Afghanistan commits suicide, two others spark a near-fatal brawl, and a woman is terrorized. Lola, accompanied by her young daughter, senses a story about whatever happened on the far side of the world that these troops have brought so disastrously home. But she soon realizes that getting the story must take second place to getting herself?and her little girl?out of Wyoming alive. Kirkus Reviews praises Florio s previous novels as crammed with atmosphere and intriguing characters . . . The writing is top-notch, and the action builds at just the right pace. Praise: A gut-wrenching mystery/thriller that explores prejudice and the incredible stress on soldiers in a seemingly unending war with no clear goals. ?Kirkus Reviews With the chops of a world-class journalist and an unsurpassed knowledge of the Rocky Mountain West, Gwen Florio weaves a compelling tapestry that combines family saga, social consciousness and human frailty, making Disgraced difficult to put down. ?Craig Johnson, author of the Walt Longmire Mysteries, the basis for the hit Netflix drama Longmire Gwen Florio achieves what few others can in the field of crime fiction. She creates characters with real depth and places them in a story that is so hard-hitting and believable, it s easy to imagine it being in tomorrow s headlines. ?J.J. Hensley, Award winning author of Resolve and Measure Twice.
