THE GREAT WAR AND THE TWENTIETH CENTURY

To read **The Great War and the Twentieth Century** PDF, remember to click the web link beneath and download the ebook or have accessibility to other information which are in conjunction with THE GREAT WAR AND THE TWENTIETH CENTURY book.

Yale University Press, United States, 2014. Paperback. Book Condition: New. 218 x 142 mm. Language: English Brand New Book ***** Print on Demand *****.World War I, the first total war in history, set in motion profound changes in the economies, demographics, and philosophies of the warring states. In this book, leading experts on the Great War discuss its causes, character, and legacy. Their writings show that to study World War I is to encounter not only the dissolution of the four defeated empires-Russia, Germany, Austria-Hungary, and Turkey-but also the collapse of the optimistic assumption of progress that had defined the nineteenth century. The analysis of the Great War, in fact, provides an essential framework for our understanding of the entire twentieth century. The book draws together military history, international history, and cultural history to offer a wide-ranging summary of current knowledge and debate regarding the First World War. Contributors to this volume: Modris Eksteins, Gerald Feldman, William C. Fuller, Jr., Mary R. Habeck, Holger H. Herwig, John Horne, Michael Howard, A. S. Kanya-Forstner, Leonard V. Smith, Zara Steiner, David Stevenson.
