Kafrika Trilogy Book One On a cold blustery winter morning Kaner confronted his mother about the secrets of her life. Missus Abishag is under no illusion about the stark choices staring her with cold killer eyes in the face. Secrets kill. Does Missus Windsor really dare trust the devil son she raised. This feels romantic. This tastes Victorian. This reads polite society. An iconic minimalist work. A bright literary star exploding. Exquisitely written and deeply moving. Van Noten unflinchingly unravels the delicate strands of mother love going wrong in a chilling fashion. Minimalist writing at its superb best. Literature for a the new now reading generation. A small-scale drama with emotional density far outweighing verbal economy. Sensual longing bridles between mother and son, leaving the reader with a spine chilling suspicion of strong incestuous overtones.
