

## Popular History of Music from the Earliest Times (Classic Reprint)

Filesize: 4.12 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Popular History of Music From the Earliest Times The following pages are intended to trace in a succinct way the general practice and development of music among the principal nations before and in the Christian era, for the use of music lovers who have not the time to read more extensive works on the subject. The book opens with the musical records of the Old Testament, wherein music is established as an essential part in the divine service of the ancient Hebrews, and as a most cheering ingredient of their social life. The heathen nations of the olden times also recognised the solemn and moral character of music, and used it in their worship and on every festive occasion in public and in the family circle. If hardly anything of actual music from the most ancient nations has come down to our time, we yet have drawings of some of their instruments, by which we gain some idea of the state of their music. Their poets spoke in rapturous terms of the influence and power of music, and their rulers made laws for preserving music in purity and simplicity. Of the music in the Christian era we have specimens from the early centuries, which accumulate more and more from the nth century through the principal schools of music down to our time.
