What a trove of information; read this beautifully composed guide, sleep well, and enjoy with confidence your child's education." --Edward Hallowell, MD, author, *The Childhood Roots of Adult Happiness* "ML Nichols has given parents a long-overdue map through the 'minefield' of elementary education: where to turn and what to say and do (in and out of school) to become an effective advocate for your child." --Jim Trelease, author, *The Read-Aloud Handbook* "As a psychologist and parent of three elementary-age children, I highly recommend this book.
