Melrose Books. Paperback. Book Condition: new. BRAND NEW, Mendip Hospital: An Appreciation (2nd edition), Susan Marshall, 'Mendip Hospital - An Appreciation' is a well-researched and fascinating account of the Somerset County Lunatic Asylum, later re-named Mendip Hospital, from its beginning in 1848 until its closure in 1991. The book outlines the progression of the hospital from its inception as a secluded institution for insane paupers to a modern open psychiatric hospital that became an important part of the wider community. In addition it covers issues such as aspects of patient care and recreation, staff training and some staff memories, including those of the author, Susan Marshall. The author writes with warmth and affection for the hospital, which makes this more than an historical account of an institution. 'Mendip Hospital - An Appreciation' will prove compelling reading for those who have connections with the hospital, those with an interest in local history and mental health professionals and students.
