

To Build a Fire

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

TO BUILD A FIRE

Createspace, United States, 2013. Paperback. Book Condition: New. 200 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. To Build a Fire is the title of two short stories by American author Jack London published in 1902 and 1908. The 1908 story has become an often anthologized classic; the 1902 story describes a similar situation but has a different, less memorable plot. The 1908 To Build a Fire is an oft-cited example of the naturalist movement that portrays the conflict of man vs. nature. It is also reflects what London learned in the Yukon Territory. John Griffith Jack London (born John Griffith Chaney, January 12, 1876 - November 22, 1916) was an American author, journalist, and social activist. He was a pioneer in the then-burgeoning world of commercial magazine fiction and was one of the first fiction writers to obtain worldwide celebrity and a large fortune from his fiction alone. He is best remembered as the author of *The Call of the Wild* and *White Fang*, both set in the Klondike Gold Rush, as well as the short stories *To Build a Fire*, *An Odyssey of the North*, and *Love of Life*. He also wrote of the South Pacific in such stories as *The Pearls of Parlay* and *The Heathen*, and of the San Francisco Bay area in *The Sea Wolf*. London was a passionate advocate of unionization, socialism, and the rights of workers and wrote several powerful works dealing with these topics such as his dystopian novel *The Iron Heel*, his non-fiction expose *The People of the Abyss*, and *The War of the Classes*.
