Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.

(Audra Hodkiewicz)

CERTIFIABLE: FICTIONS

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Certifiable: Fictions, David McGimpsey, In these funny and twisted stories of American culture, David McGimpsey answers questions which have long demanded answers: What does a teacher of "Elvisology" teach? What kind of animal is McDonald's Grimace? Did Emily Dickinson and Walt Whitman ever kiss each other? If Fonzie's leather jacket wrote letters - who would it write to? Are there other kinds of nog besides egg nog? Is it better to write for the New Yorker or to have "developed scripts" for LA Law? Is there a worse band name than "The Agoraphobic Wilburys"? And, of course, what parts of the male anatomy best rhyme with "Jesus"? "You're certifiable!" may be a charge a speaker in David McGimpsey's first collection of fiction has often heard but, luckily, the speaker usually mishears and thinks he's heard "you sure are lovable!" They are loveable. In a landscape of mini-malls, theme restaurants and weight-loss centres, the sadness of life's adult rewards leads to comic relief in these short, topical, American asides. This is perfect reading for college dropouts as well as their less romantic cousins who stuck it out until they received a degree. The work bears all the hallmarks of McGimpsey's critically acclaimed poetry (sharp wit, pop savvy) - except, now, without the annoyance of poetry!.
