Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Silhouette Books, 2010. Mass Market Paperback. Book Condition: New. 281 pages; Computer programmer Jessica Kilmer's life changed the moment she realized classified documents had been stolen from her safe. She knew contacting the FBI would turn her life upside down, but she never expected what would happen when she met special agent Arlen Coulter. For even as Arlen assured her that he would keep her safe, his quiet intensity awakened her heart to another danger altogether. It seemed to Arlen that the greatest risk in this case was the effect Jessica had on him. She aroused feelings he'd long believed dead-and preferred to keep buried. But the danger that Jessica faced was real-could Arlen get her out before it was too late?.
