

EARLY MISSISSIPPI RECORDS: Volume 2

By Wiltshire, Betty Couch

Heritage Books. Book Condition: BRAND NEW. BRAND NEW Book on CD Rom - This CD includes six books featuring early Mississippi records. Mississippi Confederate Grave Registrations, A - Z, 1991. A little known source of Mississippi genealogical information are the Confederate grave registrations available on microfilm at the Mississippi Department of Archives and History. These are records of Confederate soldiers, many serving in other states during the Civil War, but who died and are buried in Mississippi. Death dates range from Civil War days into the 1930's. Though some tombstones give only the soldier's name and service unit, the registration card has additional information of interest to genealogical researchers. The author included only a small part of the information in this book, with the hope that the readers will be able to use it as an index and be able to determine whether or not a registration card, which can be ordered from the archives, is available for their ancestor. Mississippi Index of Wills, 1800-1900, 1989. Over 10,000 wills are indexed in this volume from the earliest will found in 1800 through 1900. The date used was the probate date in almost all cases; if a date was not given,...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
