Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sola Scriptura Ministries International, United States, 2001. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.The body looks healthy on the outside, but inside a sickness has set in. With the line between truth and error blurred, theological distinctives considered inconsequential, and the pulpit becoming the focal point of a commitment to entertainment rather than the faithful ministry of the Word of God, postmodern evangelicalism is suffering from theological anemia. In spite of this weakening state, a strengthening cure is available. In Life transforming truth: an introduction to the doctrines of grace, William E. Payne has provided the mega-vitamins so needed today. With a thoroughly biblical approach coupled with clarity of thought and expression, Life-transforming truth is the perfect primer for a weak and ailing Christian church. Explaining and amplifying the doctrines of grace with the grace of the doctrines, Pastor Payne provides answers to the profound questions of those struggling with the wonderful truth of God's sovereign grace while strengthening and bringing a deeper understanding to those already embracing these God-honouring doctrines. Understanding depravity - Rejoicing in election - Affirming particular redemption - Effectual calling - Explaining perseverance - Exploring regeneration - Declaring justification - Experiencing sanctification - The privilege of adoption - The hope of glorification. Be prepared to be challenged and changed as you read these pages and discover God's gracious dealings with humankind. These truths will transform your life - from the inside out - as you consider God's wonderful kindness to a sinful world. 80 pages, 6 x 9, perfectbound Published March 2001.
