Brand New Book ***** Print on Demand *****.Excerpt from Oration Delivered Before the Cincinnati and the 76 Association: On the 4th July, 1854 The rising tides bear a thousand ships to our harbours. Numerous emigrants are sailing hither: some have fled from the memories of their home, outlaws of liberty; some have abandoned a science, they enlarged; some seek the scanty charity of repentance, or ask but the bare alms of life; few are wanderers, to whom the narrow limits of their fancied ark seem other than a larger prison. Land! cries the shipboy from his airy perch. Land! every voice echoes. All are here at land. The exodus of humanity escaping from the ensanguined sea, is arrived where thus much is the promise, liberty and law - freedom outraging no right, government coercing only license. These are hopes which lead on men from every clime, results which closed a weary course, inaugurating a new epoch with the day when for the first time, self-evident truths were successfully proclaimed.
