## A HOUSE-BOAT ON THE STYX

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book can be seen as a prime example for Bangsian fantasy -a genre, which concerns the use of famous literary or historical individuals in plots and their interactions set partially or wholly in the afterlife and the rich and intelligent comedy that permeates the narration will leave the reader chucking with pleasure.The book begins by introducing the reader to the arrival of a spanking new houseboat on the Styx, the river that separates Earth and the Underworld. Charon who is the usual ferryman of the Styx is appointed as the new janitor for this houseboat by Associated Shades - one of the swankiest organizations in the Hades made up of every famous historical and mythical figures who has ever died and gone to Styx - and the houseboat is made into a permanent clubhouse for its members.The club has such luminaries from history like Sir Walter Raleigh, Cassius, Demosthenes, Samuel Johnson, James Boswell, Confucius, William Shakespeare and even Baron Munchausen as its members. And from this setting of a houseboat club thriving with ghosts of historical figures, John Kendrick Bangs creates 11 hilarious short stories, which will remind one of the Drones club and Anglers Rest stories from P.G. Wodehouse. The stories dont have any central theme and relies heavily on dialog-based humor than situational ones as in each chapter the author pits some of the heavyweights of human history in to laughter evoking verbal jostling as they discuss various topics.The verbal comedy, which Bangs generates while bringing historical figures into hypothetical conversations where they take a dig at each other, is seriously of first-class quality and will leave the reader laughing out loud....
