

## The Religion of Hands: Prose Poems and Flash Fictions

Filesize: 7.11 MB

### ***Reviews***

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

*(Dr. Grady Jacobi DDS)*

## THE RELIGION OF HANDS: PROSE POEMS AND FLASH FICTIONS

University of Arizona Press, United States, 2005. Paperback. Book Condition: New. New.. 223 x 135 mm. Language: English . Brand New Book. A man doesn't sleep with the moon. He sleeps with his hunger, gathers bowls of avocados and wipes his lips with his sins. The Religion of Hands does not foster sleep. Look quickly and you will catch the hint of a fox streaking in front of your car's headlights at night. Look more carefully out your bedroom window and you may see your life going by, lost loved ones waving hello. Who were you when the stars were misinterpreted as the fingertips of God? Ray Gonzalez blends symbolic play with lyrical beauty as he works from a vast and complex palette to infuse popular culture with myth. The Religion of Hands is imbued with magic realism: a suffocating dream of tamales, mysterious reptilian allusions, a man who finds God walking down the stairs to hand him an old, tattered phonebook from the year he was born. It offers strange prophecies: A steady vegetation will grow across the empire as more homeboys are killed in drive-bys. Microscopic scratches on an old vinyl record will form a message discovered in twenty more years when the album is bought at a garage sale. And in 14 flash fictions, it tells of a tiny old man kept in a glass jar, an accordion stored in an old family trunk, tales of sharks and bandits. The religion of hands has its own unspoken sacraments. The fingers take over, teaching whoever holds the moment that the rapid weight of the open hands is a dangerous way to live. Seamlessly, effortlessly, multi-dexterously, Ray Gonzalez spins words that speak our very dreams.
