Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

THE FELLOWSHIP

Farrar, Straus Giroux Inc, United States, 2016. Paperback. Book Condition: New. 210 x 139 mm. Language: English . Brand New Book. In *The Fellowship*, Philip and Carol Zaleski offer the first complete rendering of the Inklings lives and works. Lewis maps the medieval mind, accepts Christ while riding in the sidecar of his brother's motorcycle, becomes a world-famous evangelist and moral satirist, and creates new forms of religiously attuned fiction while wrestling with personal crises. Tolkien transmutes an invented mythology into a breathtaking story in *The Lord of the Rings*, while conducting ground-breaking Old English scholarship and elucidating the Catholic teachings at the heart of his vision. This extraordinary group biography also focuses on Charles Williams, strange acolyte of Romantic love, and Owen Barfield, an esoteric philosopher who became, for a time, Saul Bellow's guru. Romantics who scorned rebellion, fantasists who prized sanity, Christians with cosmic reach, the Inklings sought to revitalize literature and faith in the twentieth century's darkest years and did so.
