Reviews

*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Tangled Titans offers a current and comprehensive assessment of the most important relationship in international affairs that between the United States and China. How the relationship evolves will have a defining impact on the future of world politics, the Asian region, and the citizens of many nations. In this definitive audiobook, leading experts provide an in-depth exploration of the historical, domestic, bilateral, regional, global, and future contexts of this complex relationship. The contributors argue that the relationship is a unique combination of deep interdependence, limited cooperation, and increasing competition. Never in modern history have two great powers been so deeply intertwined yet so suspicious and potentially antagonistic toward each other. Exploring this cooperative and competitive dynamic, the contributors offer a wealth of detail on contemporary Sino-American relations unavailable elsewhere. Students will find Tangled Titans essential listening to understand the current dynamics and future direction of relations between the world's two most important powers.
