Monthly Report of the American Association of Variable Star Observers, Feb. 20-Mar. 20, 1920. We report this month an encouraging increase in the number of observations at the end of an unusually severe winter. It is a pleasure to be able to acknowledge a splendid list from Mr. Bancroft who has been for a time somewhat incapacitated for active work by an unfortunate accident. Mr. Peltier and Mr. Lacchini are to be commended for valuable contributions. In the list of observations received this month from Messrs. Dawson and Tapia at La Plata, Argentina, there was no indication as to observer, and therefore these observations, which constitute an excellent list will be found recorded under the joint initials ST. We welcome this month the maiden contribution of a new member, Mr. C. W. Gartlein, (Ga). Mr. McAteer writes that SS Cygni was bright on the morning of the 20th of March, and the observation will be included in the next report. During the past few months the Council has elected to membership the following persons, who we hope will prove...
