Human beings communicate via different language systems like for instance sign languages, verbal languages and written languages. This paper will deal with the acquisition of the verbal language or more accurate certain problems which can occur during the process of acquisition. Almost every human being acquires one or more languages during his live. The general schedule of acquisition can be considered to be the same for all languages and all human beings. Learners of different languages and different age create the same errors. However this process of acquisition does not always follow the same pattern, there are instances in which the process is distracted due to certain problems. Some children suffer from brain damages which prevent them from learning a language properly, while other children have hearing problems which result as well in problems with the acquisition of a...
