By Bruce Lee Benefiel

Createspace, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Zendor the Barbarian: An orphan s battle with science and spirituality in the quest for identity. Maybe the most authentic and honest book you will read on the subject of extraterrestrial intelligence, investigating one s identity and congruence with science and spirituality. An orphan s quest for identity reveals a new millennial myth wrapped in a true story about the discovery and potential of extraterrestrial origins. The intense trials and tribulations of garnering wisdom in a world that seems alien imbue the journey with humility. As incredulous as it sounds, it is definitely worth the read. Serendipitously, the young boy is startled by an unknown voice soon after he finds out about his adoption. Two years later he finds himself ascending into an orange cigar-shaped cloud on a regular basis, but with no memory of what happens inside, only a sensation of familiarity and desire to return. What would you do? Just after his 18th birthday his cosmic mentor returns to ask the question, Are you willing to die for what you believe in? His life changes dramatically...
