A struggling artist named Ellen has been coping with an ex-lover, his psychiatrist, and an ex-husband not to mention depression in this 1979 novel by artist and musician Elaine Kraf. Then Ellen becomes subject to unexpected "radiances," and finds that she is sharing a body with the free-spirited, anarchic Esmerelda, Princess of New York's Upper West Side. Somehow, this odd couple will have to find a way to co-exist, and maybe even help each other. "When a novelist uses words as if they were sacred love, what is written becomes poetry. Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
