Small Price current meters 17 8 SURFACE WATER SUPPLY OF THE MISSOURI RIVER BASIN, 1911. By W. A. Lamb, W. B. Freeman, and Raymond Richards. AUTHORITY FOR THE WORK. This volume is Part V1 of a series of 12 reports presenting results of measurements of flow made on certain streams in the United States during the calendar year 1911. The reports are listed in the following table: Papers on surface water supply of the United States, 1911. a For the purpose of uniformity in the presentation of reports, a general plan has been agreed upon by the United States Reclamation Service, the United States Forest Service, the United States Weather Bureau, and the United States Geological Survey, according to which the area of the United States has been divided into 12 parts, whose boundaries coincide with natural drainage lines indicated by...
