Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Simon & Schuster (Juv), 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From the sheeting downpour of a city rainstorm to the soft drops that filter through a forest's canopy, this is an exploration of all that is beautiful about the rain. A man on his way home from work watches the streaks run their way across the train window. Children playing in the woods search for baby fish in the falling drops they catch in their hands. A woman wakes from an afternoon snooze and is inspired by the wet flowers and by the water bouncing off the sidewalk to open her long-dry box of watercolors. Michael Laser's mild text and Jeffrey Greene's detail-rich pastels masterfully evoke the easy, contented sense of a damp afternoon.
